U.S. Patent Application No. 09/023,232
Title: NUDE MOUSE MODEL FOR HUMAN NEOPLASTIC
DISEASE
By: Ann MONOSOV et al.
Our reference: 31276-20015.30

Dear Dr. Monosov:

Please find enclosed copies of Reissue Application Declarations and Powers of Attorney to be filed in the two identified applications above.

My firm represents AntiCancer, Incorporated, the assignee of record for each of the issued patents for which Reissue Applications are being filed. These papers require the signatures of both co-inventors: Dr. Ann Monosov and Dr. Xinyu Fu. Since these documents may contain proprietary information, I request that you maintain them as confidential information and return them to me after you have signed each as indicated.

Please call me at your earliest convenience should you have any questions concerning these documents. Since time is of the essence in this matter, your prompt attention is greatly appreciated.

Sincerely,

Thomas D. Mays, Ph.D., J.D.
